### Video of the month

The video thumbnail shows a scenic view of snow-capped mountains under a clear blue sky. The text 'STORY OF FLYFISHING AND WINE' is overlaid in a bold, black, serif font. Below the image, there is a dark grey text box containing a description of the video content.

A story in the Central Andes of Argentina. Recalling the stories of Isaac Walton, Jorge Aguilar Rech reflects the brotherhood between snow and ice, water, trout and wine. The latter ... one of the best malbec in the world. It is a subtle, sensitive fishing. Mainly with nymph and dry flies. Where size is not important. In Mendoza ... the giants are the fishermen.
