

Arizona Trout Unlimited

Trout In The Classroom

ARIZONA TROUT IN THE CLASSROOM

Current school year had 36 classrooms house tanks, with numerous other classes at some schools participating in the program as well.

Program is present in communities all over Arizona from Flagstaff to Yuma, Tonopah to St. Johns. This year alone over 1500 students interacted with and learned from raising trout.

Ways To Get Involved

Volunteers are ALWAYS welcome and appreciated.

We can use your help in several ways.

Helping recruit new schools and teachers

Assisting in the movement of equipment in your local area.

Assisting with egg delivery.
